Description

REFA is the fresh collection from UMMO brand. The series of minimalist wall lamps is based on a single milky lampshade suspended on an elegant metal base painted in white or black. It is a proposal that perfectly light up any space that requires it. The refined simplicity of REFA sconces make them suitable for both typical modern arrangements and classic interiors. Wall lamps from this lighting line perfectly complement the hanging lamps and ceiling lamps from other UMMO collections. REFA lamps will play a real light rhapsody in your apartment, we promise :)
